

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary is disgraceful. It is a shameful abuse of the laws governing our free airwaves. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Prejudiced 'news' is not serving anyone but those demagogues who would allow such indecency on their behalf.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
